

## WHY BUY AND SELL A CAR WITH AUTOSELECT

- By selling your car privately you're more likely to get a better price than on a trade-in.
- No time limit; your ad will stay on the system until the car is sold or you delete your listing.
- Every seller gets a poster with car details to put on their car.

## HOW TO BUY AND SELL A CAR WITH AUTOSELECT

### Buying a car...

AutoSelect has an easy to navigate search form.

Select the search criteria you want... search by make, model, year and location of car...

### Selling a car...

In three short steps you can list your vehicle on the AutoSelect website.

Send us a photo of your vehicle by e-mail or post and we'll include it with your listing. No photo - no problem, we'll include a stock photo of the make, model and year of the car with your listing "free" if one is available.
